Speakers

Dr. Jasneet Parmar

is an Associate Professor, Dept. of Family Medicine and is the chair of the Capacity assessment steering group, Covenant Health, responsible for implementing the 'Capacity assessment model'. She has recently worked with the Office of Public Guardian in providing education on Provisions of Capacity under the Personal Directive Act and the new Adult Guardianship and Trusteeship Act.

Teresa Batemen

is the Director of Professional Practice at the College of Licensed Practical Nurses of Alberta. Teresa has a Certificate in Adult and Continuing Education from the University of Alberta and is a current graduate student in the Masters of Arts-Professional Communication program at Royal Roads University. Teresa is passionate about the nursing profession and works toward creating and promoting collaborative team environments in everything she does.

Keynote Speakers

Donna Stelmahovich

is the Vice President, Seniors Health with Alberta Health Services. Donna is passionate about Seniors Care and has worked with her team to introduce increased choice of care options for seniors integrated with a strong Home Care Program. Donna has been an active participant on multiple regional and provincial committees and continues to participate and remain actively involved in setting direction for Seniors' Health programs in Alberta Health Services.

Mollie Cole

is working with the provincial stream of Seniors Health developing a Provincial Cognitive Impairment Strategy for AHS. For more than 20 years Mollie has focused her practice on improving care of older adults – especially those with cognitive impairments. She has been a member of AGNA since 1987 and is currently the co-chair of the Calgary Chapter.
