

Dementia Care in the Community

PUBLIC FORUM

6:00pm to 8:00pm

**THURSDAY, FEBRUARY
25th, 2016**

**Cenovus Learning Commons,
Red Deer College,
100 College Boulevard,
Red Deer, Alberta T4N 5H5**

Hosted by AHS Seniors Health Strategic Clinical Network - this public event is **FREE** to attend.

Guest speaker Dr. Linda Lee, Director of the Centre for Family Medicine Memory Clinic, Kitchener, Ontario discusses person-centered perspectives surrounding dementia diagnosis and management in community.

This networking and learning event provides the opportunity to learn about the Memory Clinic Model of community based dementia care in Ontario. Following the presentation, there will be time to network with Dr. Lee, Director of the Centre for Family Medicine Memory Clinic, and Dr. Duncan Robertson, Senior Medical Director of AHS Seniors Health Strategic Clinical Network.
